Live Zoom sessions

Dear Parents/Carers,

With effect from Monday 25th January children accessing remote education will be invited to attend a live online session using zoom, twice a week. This will be held with their class and a teacher and teaching assistant from their year group. You can access the link to this meeting on a mobile phone, tablet or laptop. Compulsory attendance is required for all pupils, either in school or by remote learning unless your child is ill, in which case normal absence procedures will apply. If your child does not have access to the technology to do this, either your child's teacher or teaching assistant will call you after the zoom meeting has taken place.

Every week you will receive an invitation to a zoom call that will take place every Monday and Thursday. This is only a short video call explaining the home learning for the week and celebrating learning for the week. If your child is learning in school on a Monday or Thursday, you do not need to attend.

The times for each meeting will be as follows on a Monday and a Thursday (Tuesday and Friday for Nursery children):

You will receive your invitation via email with the zoom link to attend the meeting, on the day. Please check your email on a Monday and Thursday morning for this link. Please read our Zoom guidance for parents and children to help you.

We expect the following rules to apply when accessing the live zoom meeting:

- Children should sign on promptly for the allocated time given above
- Children must not be left online alone, a responsible adult must be present at all times
- Children and adults must be dressed appropriately
- You **must NOT** record the live zoom meeting due to safeguarding restrictions.

We have limited the number of children in school to keep the children and the staff safe, and we echo what the government are saying, keeping your children at home is the safest place for them to be at this time. We know that it is very difficult to juggle home schooling and working from home and we are trying our best to provide quality resources to support you doing this.

Again, I thank you for your patience and understanding in these difficult times.

Kind regards,

Laura Duckworth
Head of School
