

F2 are exploring the natural environment during Aut 1.

They will discuss and share ideas about their observations to deepen their knowledge of the local environment.

We will explore the seasons focusing on Autumn and develop their knowledge about British wildlife.

The focus during Autumn 2 will be different celebrations and traditions. They will explore their senses through baking.

F2 AUTUMN TERM 1 – WHAT'S HIDING IN THE WOODS? AUTUMN TERM 2 – LET'S CELEBRATE!

Key Words

Autumn forest owl
nocturnal hibernation
light dark
celebration tradition

THINGS YOU CAN DO AT HOME

Question to ask

Why have the leaves changed colour?

What can you see and hear in the dark?

Why are the animals sleeping?

How is the environment changing?

What celebrations are special to you?

Go on an Autumn Walk to develop curiosity about the natural World and begin to ask questions. What can you see and hear?

Explore using natural objects found outside such as leaves, sticks, rocks to create patterns. You could make leaf crowns, Autumn collages and use crayons to create leaf rubbings.

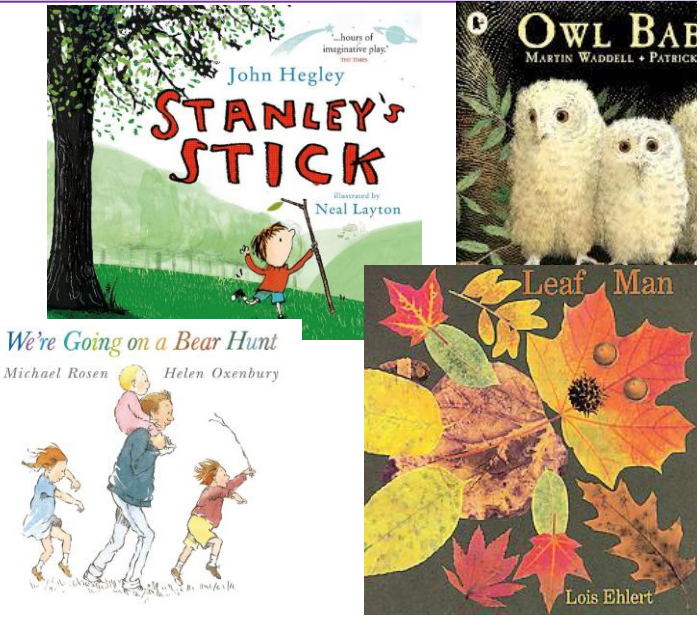

Practise identifying the letters in their name. Can you find other letters the same on the tv, on road signs, on food packaging
Once they are familiar with what the letters look like you could use paint, crayons, chalk to write the letters.

Follow some simple recipes to bake together. You could make gingerbread men to link to the story they are reading.
This activity is great for independence, following instructions, counting out amounts and measuring.

Aut 2 – Let’s Celebrate!

Library Look Out

Here are some stories that we will be reading together at school during Autumn Term. You may wish to have a look and see if you can borrow any from the library to read at home with your child or you may wish to buy them and add them to your own personal library at home. You might find some different books relating to our Autumn Themed learning, that would be great too! We would love to hear about it or see a photo of your child enjoying their stories at home.
